Opt-Out Form for Excepted Benefits: Dental & Vision

As provided by Sheet Metal Workers Local #91 Health & Welfare Fund, Dental and Vision Benefits are considered Excepted Benefits under the Patient Protection and Affordable Care Act (Health Care Reform Law).

Please mark the box below with an X if you wish to Opt-Out of the Dental & Vision Benefit coverage. Declining the Dental and Vision benefit coverage will not reduce the monthly or quarterly cost of coverage. This Opt-Out Provision will only be effective upon receipt by the Fund Office.

If you choose to maintain the Dental & Vision Benefits coverage, you do not need to return this form.

I wish for myself and family to Opt-Out of the Dental and Vision Benefit Coverage.
